

# REGIONAL INNOVATION STRATEGY FOR MAZOVIA

# REGIONAL INNOVATION STRATEGY FOR MAZOVIA

- 
- The main strategic document at the regional level is the Development Strategy for the Mazowieckie Voivodeship until 2030.
  - The Regional Innovation Strategy for Mazovia implements the objectives the main strategy in the field of innovation and competitiveness.

## EVOLUTION OF THE REGIONAL INNOVATION STRATEGY FOR MAZOVIA

# THE MOST IMPORTANT CHANGES IN THE NEW STRATEGY:

- simplifying and shortening the document, e.g. a more synthetic approach to the diagnostic part,
- taking into account the territorial dimension of the strategy in connection with the division of Mazovia region into two NUTS2 units,
- taking into account the conclusions from the analysis of bottlenecks of innovation diffusion,
- updating smart specialisation in Mazovia region, based on previous experience and arrangements with stakeholders.
