

Making Multi-level Governance Work in Smart Specialisation (S3)

25 March 2021 – Online webinar
11.00–12.45 CET / 10.00–11.45 GMT

The Interreg **COHES3ION** project is helping partners from across Europe integrate local and regional priorities into their innovation policies and SMART Specialisation Strategies (S3), to increase their impact and performance.

Register here to join our panel of leading experts discussing how to:

- increase the overall impact of S3
- improve the links between operational programmes in the RD&I environment and public and private sectors
- promote a policy and Multi-level governance model

Agenda – 11.00–12.45 CET / 10.00–11.45 GMT
